God has blessed us to have such an endearing and loving church family. Your outpouring of love and support has been so comforting.

We thank you so much,

Joyce Robinson & Family

I wanted to say a big thank you to my church family for all the prayers on my behalf. The doctors didn't find anything wrong with my heart. I am going soon to see what is happening with my right hip. It's really giving me trouble. But I wanted to give God the glory for taking this one worry away. He is so good to us. Thank you for all the prayers and concerns. Please keep them coming.

Love,

Kay Crews
