NEW HOPE BAPTIST CHURCH

WEEK 12 NEWSLETTER

WORDS FROM DR. ROBERTS

Are you happy? A story is told of a king who suffered of a mysterious disease. Someone advised him that he would be cured if the shirt of a contented man was brought to him to wear. The king sent people out all over the kingdom looking for such a person. After a long search, they found a man who was really happy. But he did not even have a shirt!

What brings happiness and joy? Most people spend a lifetime trying to find happiness in power, popularity, and possessions. When they come to the end of life, they find that none of those things bring true happiness and joy. David wrote, "How blessed are the people whose God is the Lord." (Psalm 144:15) Blessed means "happy". Happiness and joy come through relationships with people (i.e. a spouse, children, parents, grandparents) and with the Lord.

Money and things are nice, but they don't bring true happiness. When a person is on his deathbed, he will not wish that he had accumulated more stuff, worked longer hours at his job, or worked harder to attain power and popularity. In the last hours of life, he will remember the ones he loved and the One who died for him on the cross. Walking with the Lord will put a smile on you face and joy in your heart.

Are you happy?

Jesus replied, "You must love the Lord your God with all your heart, all your soul, and all your mind; This is the first and greatest commandment. A second is equally important: Love your neighbor as yourself."
